Many local theaters offer complimentary tickets to DGSD community members. *Ticket requests are subject to availability and restrictions may apply.* See details below for specific theater participation.

Requests should be made through Tracy Baldini, Subscriptions Coordinator. Tracy will reach out to the participating theater and confirm your ticket request. Inquiries for tickets should be made at least 48 hours in advance and sent to Tracy at tracy.baldini@yale.edu. We will do our best to accommodate requests sent within 48 hours of a performance.
